Important Account Information

We're adding some benefits to the Portfolio by Wells Fargo® program, effective August 9, 2021. The noted benefits below apply only to the primary Wells Fargo Portfolio Checking or Wells Fargo Prime Checking account within your Portfolio by Wells Fargo program.

Here's what we're adding to the Portfolio by Wells Fargo Select SM tier:

- We'll waive the Overdraft Protection Transfer fee for one transfer per fee period from a savings account.
- Enjoy a 1% discount on the exchange rate for foreign currency purchases, when you purchase foreign currency through the Wells Fargo Foreign Currency call center, online at wellsfargo.com, or through a Wells Fargo branch. You'll also get an additional 1% when you exchange foreign currency at a Wells Fargo branch.

Here's what we're adding to the Portfolio by Wells Fargo Signature SM tier*:

- We'll waive the fee for online outgoing wire transfers.
- Enjoy a 2% discount on the exchange rate for foreign currency purchases, when you purchase foreign currency through the Wells Fargo Foreign Currency call center, online at wellsfargo.com, or through a Wells Fargo branch. You'll also get an additional 2% when you exchange foreign currency at a Wells Fargo branch.

We calculate your qualifying balance monthly. When your statement-ending qualifying balance is \$250,000 or more, you automatically move into the Portfolio by Wells Fargo Signature tier and the monthly service fee will be waived. Periodically, Wells Fargo will review the accounts in the Portfolio by Wells Fargo Signature tier and, if you have less than \$250,000 in statement-ending qualifying balances, we will notify you at least 30 days in advance that we will transition you into the Portfolio by Wells Fargo Select tier.

For details about the Portfolio by Wells Fargo program, please refer to the disclosures we provided you when you opened your account. If you need another copy of the disclosures, you can find them at www.wellsfargo.com/depositdisclosures. You can also get them at a branch or by calling 1-800-742-4932.

*Portfolio by Wells Fargo Signature benefits are not available until after the first month with a statement-ending qualifying balance of \$250,000 or more.

Important Account Information

If your Portfolio by Wells Fargo program is closed or an account is delinked from the program, then effective immediately, Portfolio by Wells Fargo benefits no longer apply, including benefits to your linked accounts. You'll no longer receive discounts, options to avoid fees on other products or services, or the Portfolio Relationship Interest Rate; for time accounts (CDs), this change will occur at renewal. Your delinked account will revert to the Bank's current applicable interest rate or fee at that time. If the program is closed, the Wells Fargo Portfolio Checking account or Wells Fargo Prime Checking account will be converted to a Wells Fargo non-interest bearing checking account.
