

Self-Start Job Search Program

IMPACT GROUP COACHING & RESOURCES

As you prepare to launch your job search, IMPACT Group is here to help you transition to your next opportunity quickly.

Speak with a career coach about your job search goals and how to use our resources to get you there. You'll gain access to myIMPACT - our online career center filled with tools, resources, and career essentials.

GAIN ACCESS TO:

- Career Coach who will help you decide how to maximize your program.
- Job board search engine with several million openings.
- Salary and job offer negotiation resources.
- Networking and negotiation best practices.
- Virtual interview tool with multiple interview situations and ability to record mock sessions.
- Career planning videos and workshops on every aspect of your job search.

Move your career forward with confidence

Take advantage of personalized career coaching and subscription resources.
