- If the property listed on this Notice of Value is used for residential-rental purposes as defined in A.R.S. § 42-12004 (2), but is currently classified (as shown above) as being the owner's or a "qualified family member's" primary residence (Property class 3), or as a non-primary residence (Property class 4, Subclass One), you **must** register the subject property with the County Assessor as being a residential-rental use property (Property Class 4, Subclass Two) pursuant to A.R.S. § 33-1902. - If this property is a residential-rental use property and if you fail to register it with the County Assessor after receiving this Notice of Value, the city or town in which your property is located may impose a civil penalty of one hundred-fifty dollars per day, payable to the city or town for each day of violation. Further, that city or town may impose "enhanced inspection and enforcement measures" on your property.
- Several Arizona cities and towns impose a "Transaction Privilege Tax" on persons engaged in the business of leasing residential use property. You may access the Model City Tax Code, via the website <http://modelcitytaxcode.az.gov> for more information on which cities and towns impose this tax to determine if you are also required to report the residential-rental use of your property to the city or town in which the subject property is located. The website provides a telephone number to call to obtain answers to questions regarding the applicable requirements of the Transaction Privilege Tax program. Failure to pay the applicable tax could result in a penalty or fine by the city or town.
- Residential-rental use properties are required to comply with the Arizona Landlord and Tenant Law, pursuant to A.R.S. Title 33 (Property), Chapters 10 and 11.
