AMAZON GLOBAL RELOCATION SERVICES

Congratulations on your new position! In order to support you during the relocation process, Amazon.com, Inc. & Subsidiaries ("Amazon") has retained the services of Graebel Relocation Services Worldwide ("Graebel"). ELIGIBILITY

You and your spouse/domestic partner, as well as dependent children under 26, are eligible for relocation assistance.

Amazon provides one relocation policy per household. In the event that both you and your spouse/domestic partner are offered relocation policies, please alert your Consultant.

Relocation benefits must be utilized within 12 months of your start date. If you do not relocate after receiving any of the benefits in this policy, you are required to reimburse Amazon for the cost.

REIMBURSEMENT OF EXPENSES

To be reimbursed for out-of-pocket relocation expenses incurred, you will be required to submit a completed expense report online, with scanned, itemized receipts and other appropriate documentation to Graebel. Graebel will guide you regarding the process for accessing and submitting the expense report. Relocation expenses must be submitted for reimbursement within 12 months of your associated start or transfer date, or prior to relocation benefits expiration.

Please note: Relocation expenses should be submitted to Graebel's online system and not the internal Amazon expense system. Banking fees are not reimbursable. When submitting meal reimbursement expenses, use itemized receipts.

Corporate credit cards may not be used for relocation-related expenses. You may use a personal credit card and submit for reimbursement.

Graebel will be responsible to audit, approve, and process relocation expense reports for reimbursement, and make payment on Amazon's behalf.

Relocation benefits cannot be swapped or traded for other benefits. In addition, Amazon will not provide a cash equivalent in lieu of utilizing a service or benefit.
